Foundation Care,
An AcariaHealth Solution
ICLUSIGDirect Purchase Program
833-291-2773
www.ICLUSIGDirect.com

QR code to the application

ICLUSIG may be purchased directly from our distribution partner, Foundation Care, and dispensed through accounts that have inpatient and/or medically integrated pharmacies. If you need to set up a Foundation Care account, please use the QR code to access the application. To place orders for ICLUSIG, please contact Foundation Care directly at **833-291-2773**.

If your institution does not have medically integrated dispensing capabilities or chooses not to fill an ICLUSIG prescription through your inpatient or medically integrated pharmacy, ICLUSIG may be ordered and filled through AcariaHealth. Please note that sending an ICLUSIG prescription to a pharmacy other than your institution's inpatient or medically integrated pharmacy, or to an alternate pharmacy, may result in delays or non-fulfillment of the prescription.

	10 mg	63020-536-30	Bottle of 30 tablets

Medically integrated pharmacies promote patient-centered care and access

A medically integrated pharmacy is a dispensing pharmacy within an oncology center of excellence that promotes an outcomes-based and comprehensive model that focuses on continuity of care.[1,2]

Medically integrated pharmacies have demonstrated[3-5]:

Improved care coordination

Reduced time from diagnosis to treatment

Enhanced patient adherence and monitoring

Please see full Prescribing Information, including Boxed Warning.
